

Greek Brands Fine Foods named "Greek Food Export Business of the Year 2019" by the LUX life magazine.

The success for our firm does not stop even in the end of the year...

We are honored by the LUX life magazine, at the food & drink awards, as the "Greek Food Export Business of the Year 2019 " !!!

From the distant 1999 till now, our success is based on the high quality of our products and our commitment to serve our clients' needs and demands, always with integrity.

Coordinator Katherine Benton, stated among others: *"Congratulations to all of my winners: 2019 has been an exciting and challenging year in this fast-paced market, and I am immensely proud of your success"*.

In Greek Brands, we care. Thus, we won't stop being passionate about greek foods exports. During a constant changing economic environment, we contribute to the growth of Greek exports and support the Greek fine foods brand.

We would like to thank the whole LUX life magazine team for the recognition of our hard work.

This award means a lot to us!
